Canal Winchester High School

Ellen Bohl, Editor

The 1977 Pepenaus Is Proudly Dedicated to: Mrs. Isabelle Woodward

Mrs. Woodward has given so much of her time and herself for us, the students of CWHS. She has taught us so much, simply by giving us a good example to follow. There is no doubt that she will be missed, as she is retiring after this year. So it is with much pride and pleasure that the 1977 PEPENAU Staff dedicates their book to Mrs. Isabelle Woodward.

This was one special day for one special teacher.

Severe Winter Forces

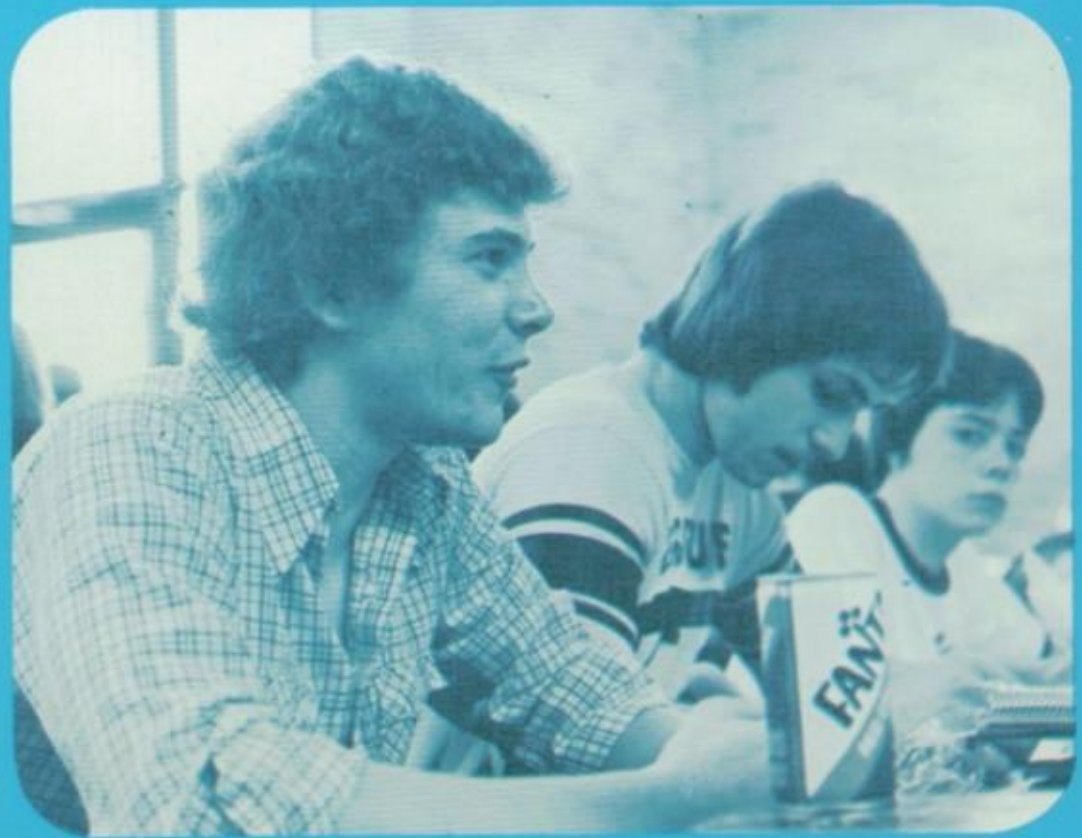

One of the many snowy days.

As the severe winter weather of 1977 moved in, the students, teachers, and administrators moved out of the old building. But the Canal Winchester School System, unlike many other school systems, had somewhere else to go to hold classes - Canal Winchester High School South. The new building got broken in very quickly, as did everybody else. Teachers had to make do without desks, chalkboards, and many of their supplies. Students had to get along without lockers, desks, and teacher demonstrations. But as you can see, most learned to cope and it wasn't long before everything returned to the usual.

Neal Seymour was a dependable defensive end all the time.

Rhen Blais, Junior QB.

The varsity teams of 1974 and 1975 produced two fine undefeated seasons and were even rated in the state AP and UPI polls. So imagine the general dismay when the 1976 team dropped its first two games while only scoring six points!

Well, it didn't last too long as they blasted their next four opponents in a row, recording two shut-outs. Three more losses and a win rounded out a 5-5 season, for .500!

Rick Gates signals the last touchdown of the last game of 1976. It came about during the last minutes of the Liberty Union game, a long pass from Rhen Blais to Neal Seymour for a 15-14 win!!

Football Cheerleaders

Above: VARSITY: Left to Right: Jami Padgett, Ronda Davis, Donice Day, Debbie Crist, Peggy Fox, Denise Kiser.

It takes a special group of people to have a good cheerleading squad and our cheerleaders showed us this. Not only did the Football Varsity Squad win the District Award at camp, but also provided our school with great pep rallies and lots of enthusiasm. Even when times got rough, the cheerleading squads kept cheering louder and smiling more to show their support. It takes dedication, hard work, and friendship and that's what our cheerleaders gave to help our teams win.

Work Improve Season

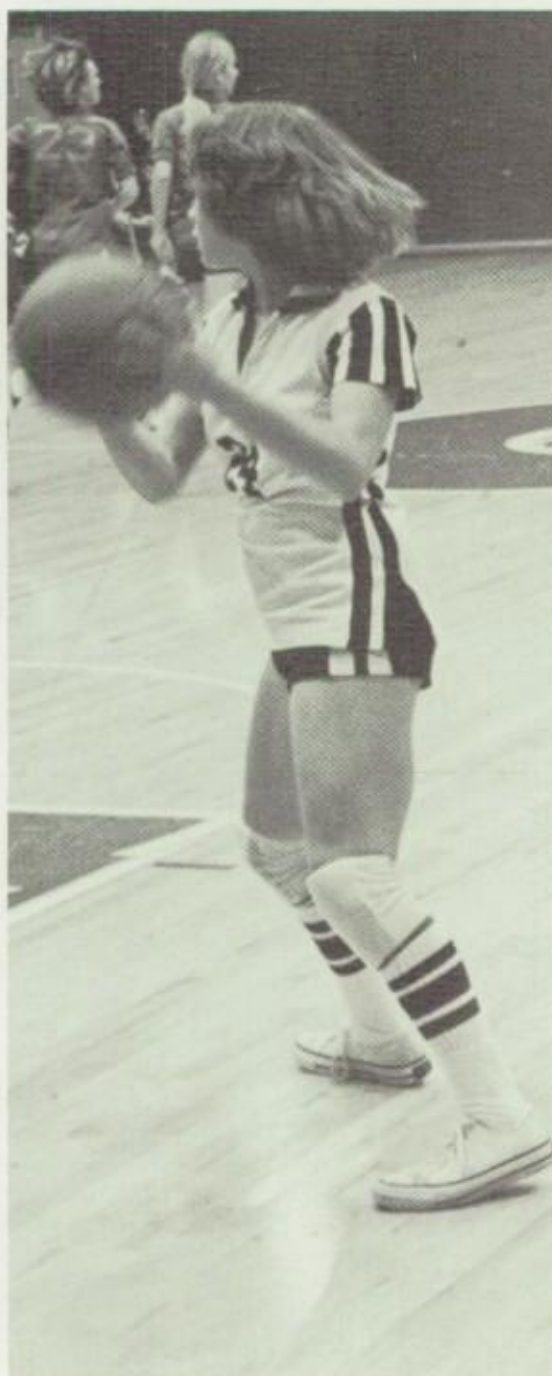

The girls' basketball team had their best season ever with a record of 7-9. Many hard practices were put in and the girls really hustled during the games. All this work really paid off, for this team won their first sectional tournament ever for girls' basketball and went on to win the second game. Although the third tournament was lost, this season was all worthwhile because the girls became closer as a team and as friends.

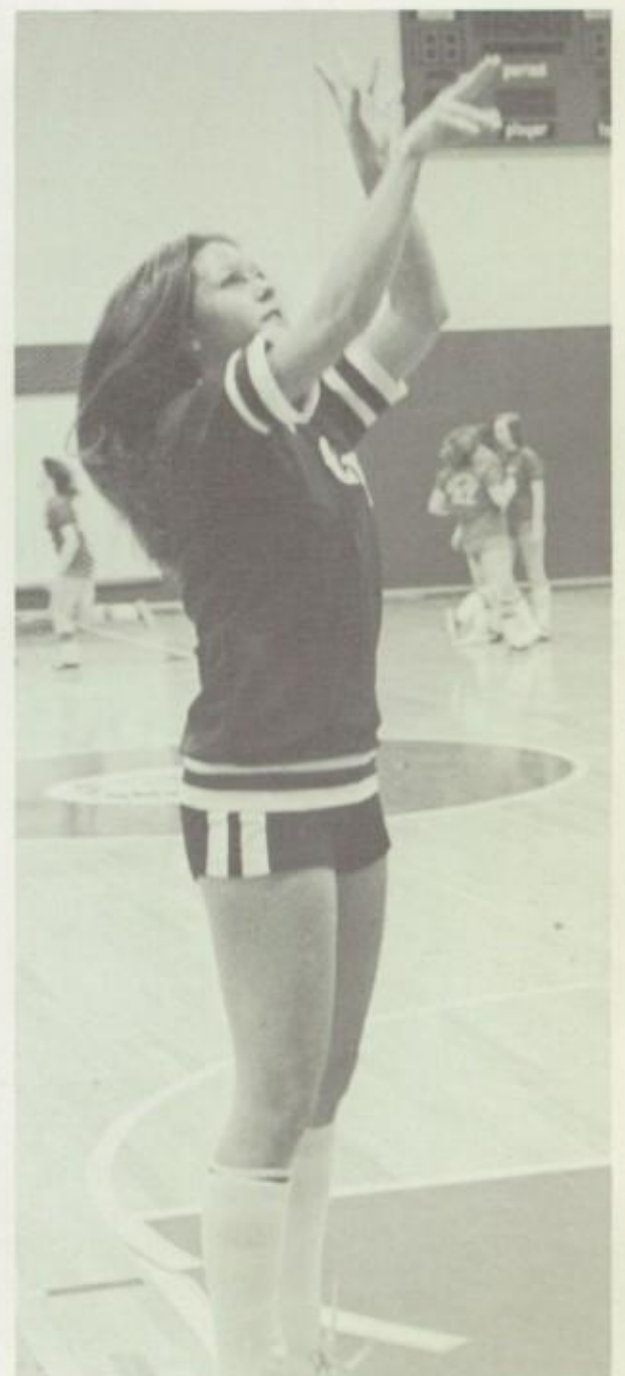

Annette Ebert, a Junior guard, was a player the team could depend on.

Cathy Zwayer, hot shot!

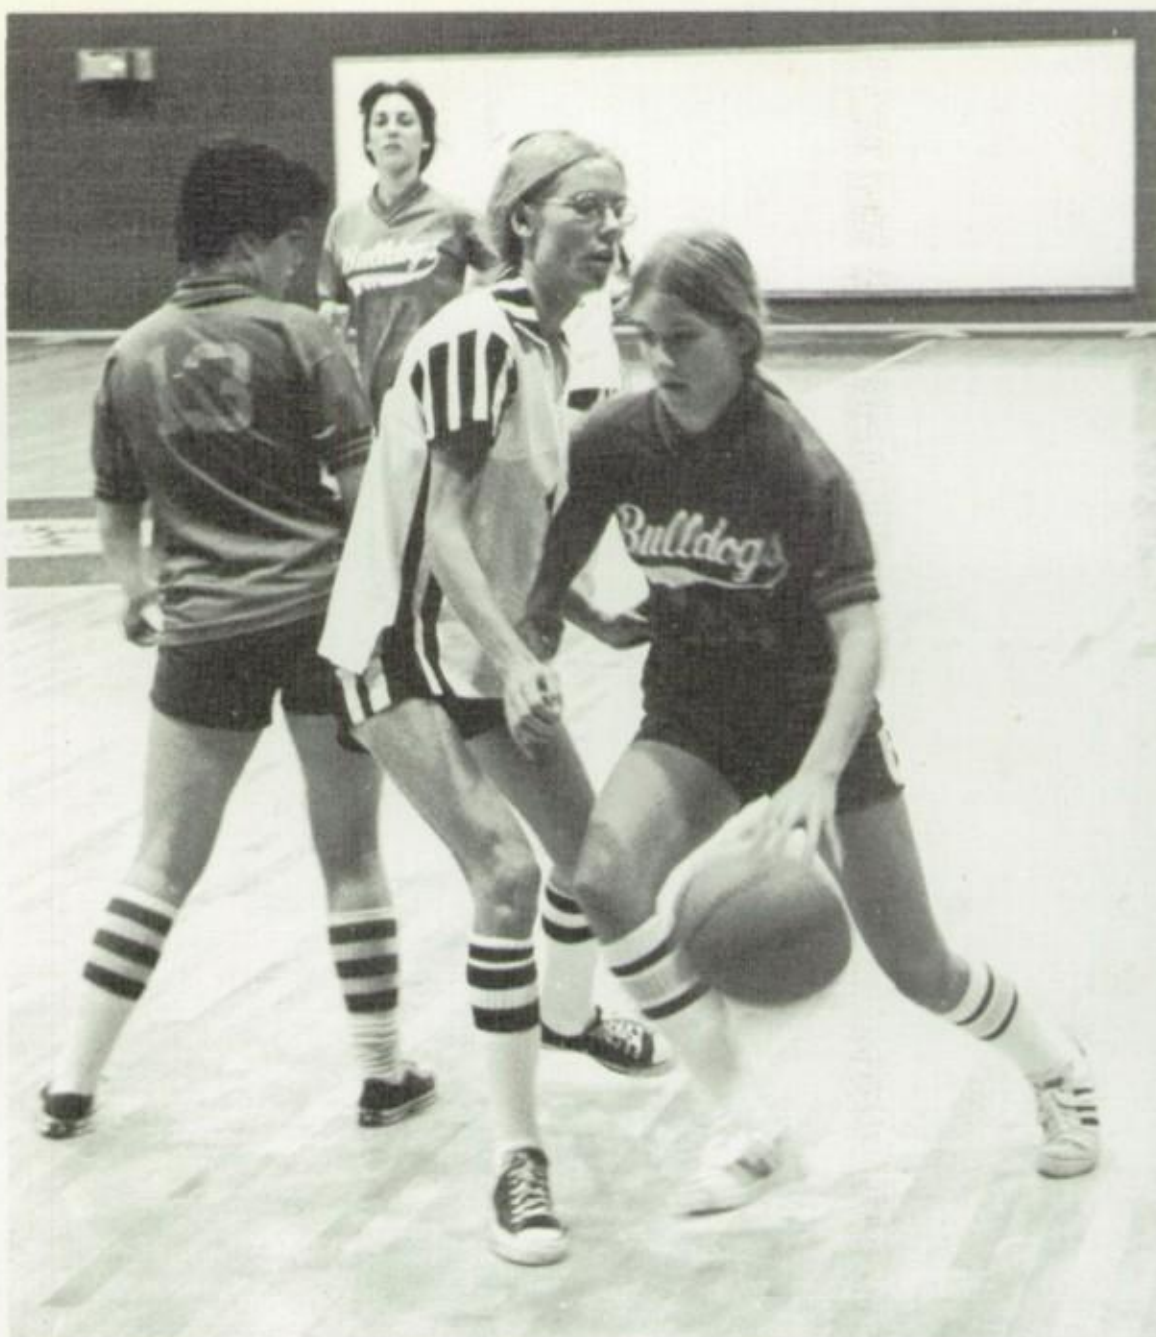

Kathy VonSchriltz moves the ball on Carroll.

The softball season surely was an improvement from last year. The girls really were dedicated to win more games, and they did.

The Indians went into tournaments against Amanda Clearcreek, whom they beat earlier in the season, but lost due to lack of confidence. With 18 out of 20 girls returning next year, Coach Cline looks forward to a better season.

Pepenaus . . . Means "Reflecting Waters"

{ Means "Reflecting Waters" }

This year's staff has tried to reflect the truest image of our school during the 1977 school year, in order to bring back the best memories in the years to come. Last summer, valuable afternoons were spent by the staff selling advertisements so the Pepenaus could be brought to you at the minimum cost.

Deadlines . . . were met (finally) . . . Rough drafts were made . . . More deadlines . . . copy written up . . . more deadlines . . . final copy finished . . . and even more deadlines . . . but finally we are proud to present to you, Canal Winchester High School, the 1977 PEPENAUUS.

On April 22, 1977 the Semper Fidelis Chapter of the National Honor Society held their annual induction. The 25 new members consisted of 7 seniors and 18 juniors. There are 8 remaining members making the total 32. After the parents pinned new members, the annual dinner was held at York Steak House. The annual picnic was held at Rising Park, a memory which advisor Mrs. Seivert will never forget.

The Library Service Club has worked hard to be a help to our school and community. This year, they held two Book Fairs. They also had a Used Book Sale to fund the Mailbox Library. Once again, they sponsored the Communicative Arts Contest. Over \$200.00 in prize money was given away. With the help of students they sent \$25.00 to the Ruth Lyon's Children Christmas Fund.

For their own enjoyment, they had a Christmas party, and they attended a Columbus Clippers game.

Thespians Set Goals . . .

The Thespians started out the year with the goal of making enough money to go to New York. They had Donut Sales which profited them \$500.00. They also made up kids at Halloween time. Last of all, they sponsored a magic show.

Although they worked very hard, they still did not make enough money for the trip. Therefore, all profits from this year will be spent on stage equipment.

Student Council

A Service to C.W.H.S.

The student government of our school is a service as well as a disciplining body. The council also donated trees for the front of the new school.

... Homemakers

On a weekend early in the fall, the F.H.A. packed up their bags and went on a campout. During the year they put together a project for the nursing home.

Once again during the holiday season they co-sponsored the Christmas Dance. The girls elected John Cook to reign as King over the Dance and were proud to have their V. Pres., Debbie Hanley, elected by the F.F.A. to reign as Queen.

Their money making project was operating the concession stand during the home Basketball Games.

... Nurses

These girls are interested in being nurses when they "grow-up." The officers were Betsy Loucks - Pres., Susan Wynkoop - V. Pres., Diana Bond - Sec.

One of their activities was a trip to Grant Hospital which proved very informative. The F.N.A. would like to congratulate their President, Betsy Loucks, for winning the Rotary Club "Service Above Self" award.

...Teachers

This club is for anyone interested in becoming a teacher or just wondering how teachers think and feel in certain situations.

This year, the club offered their services as Elementary teachers while the real teachers were attending a Tea. An annual picnic, a wet experience for everyone involved, was held at Vicki Bait's pond.

...Farmers

Their new year began in the summer when the boys took a trip to Indiana and Illinois to visit agricultural sites and colleges. They have gone to a Red's and Bengal's game for recreation. At meetings they talk about crop projects and boost the pizza sales of C.W. Their favorite project of the year was the Baby Animal Farm.

Concert Band Receives "1" Rating . . .

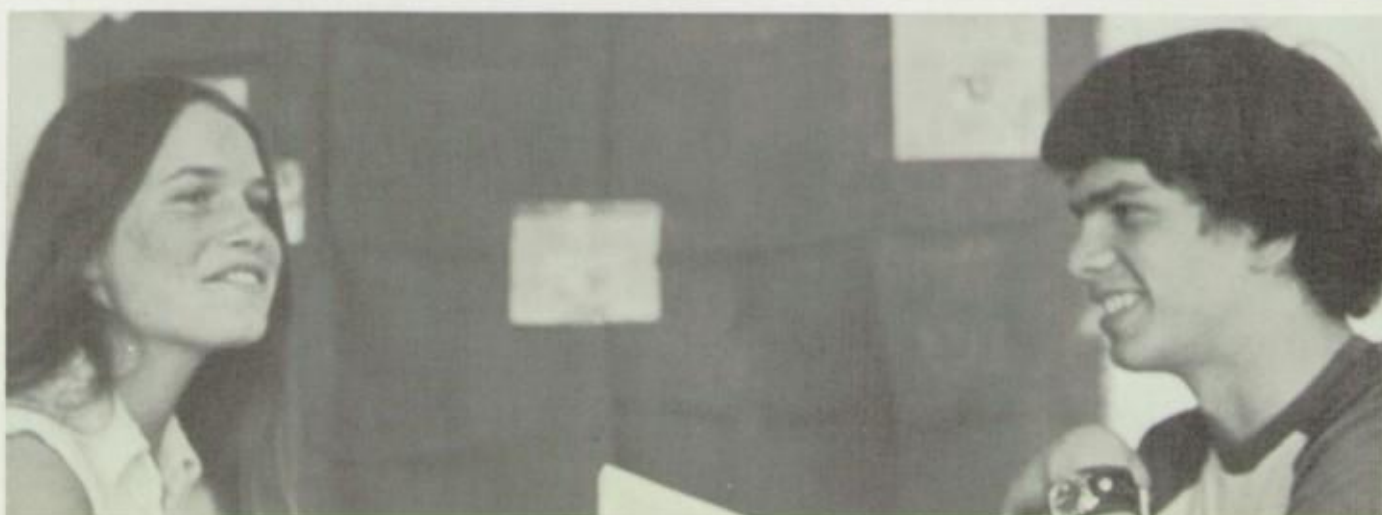

They've done it again! For the 5th year in a row, the C.W. Concert Band has received a rating of 1 at State Contest.

Not only did they work hard at mastering music, but they also worked hard on money making projects. While having all classes over in the new school, band members sold M&M's. In the spring, they had a very successful Spaghetti Dinner. All profits from these projects will help when buying new music.

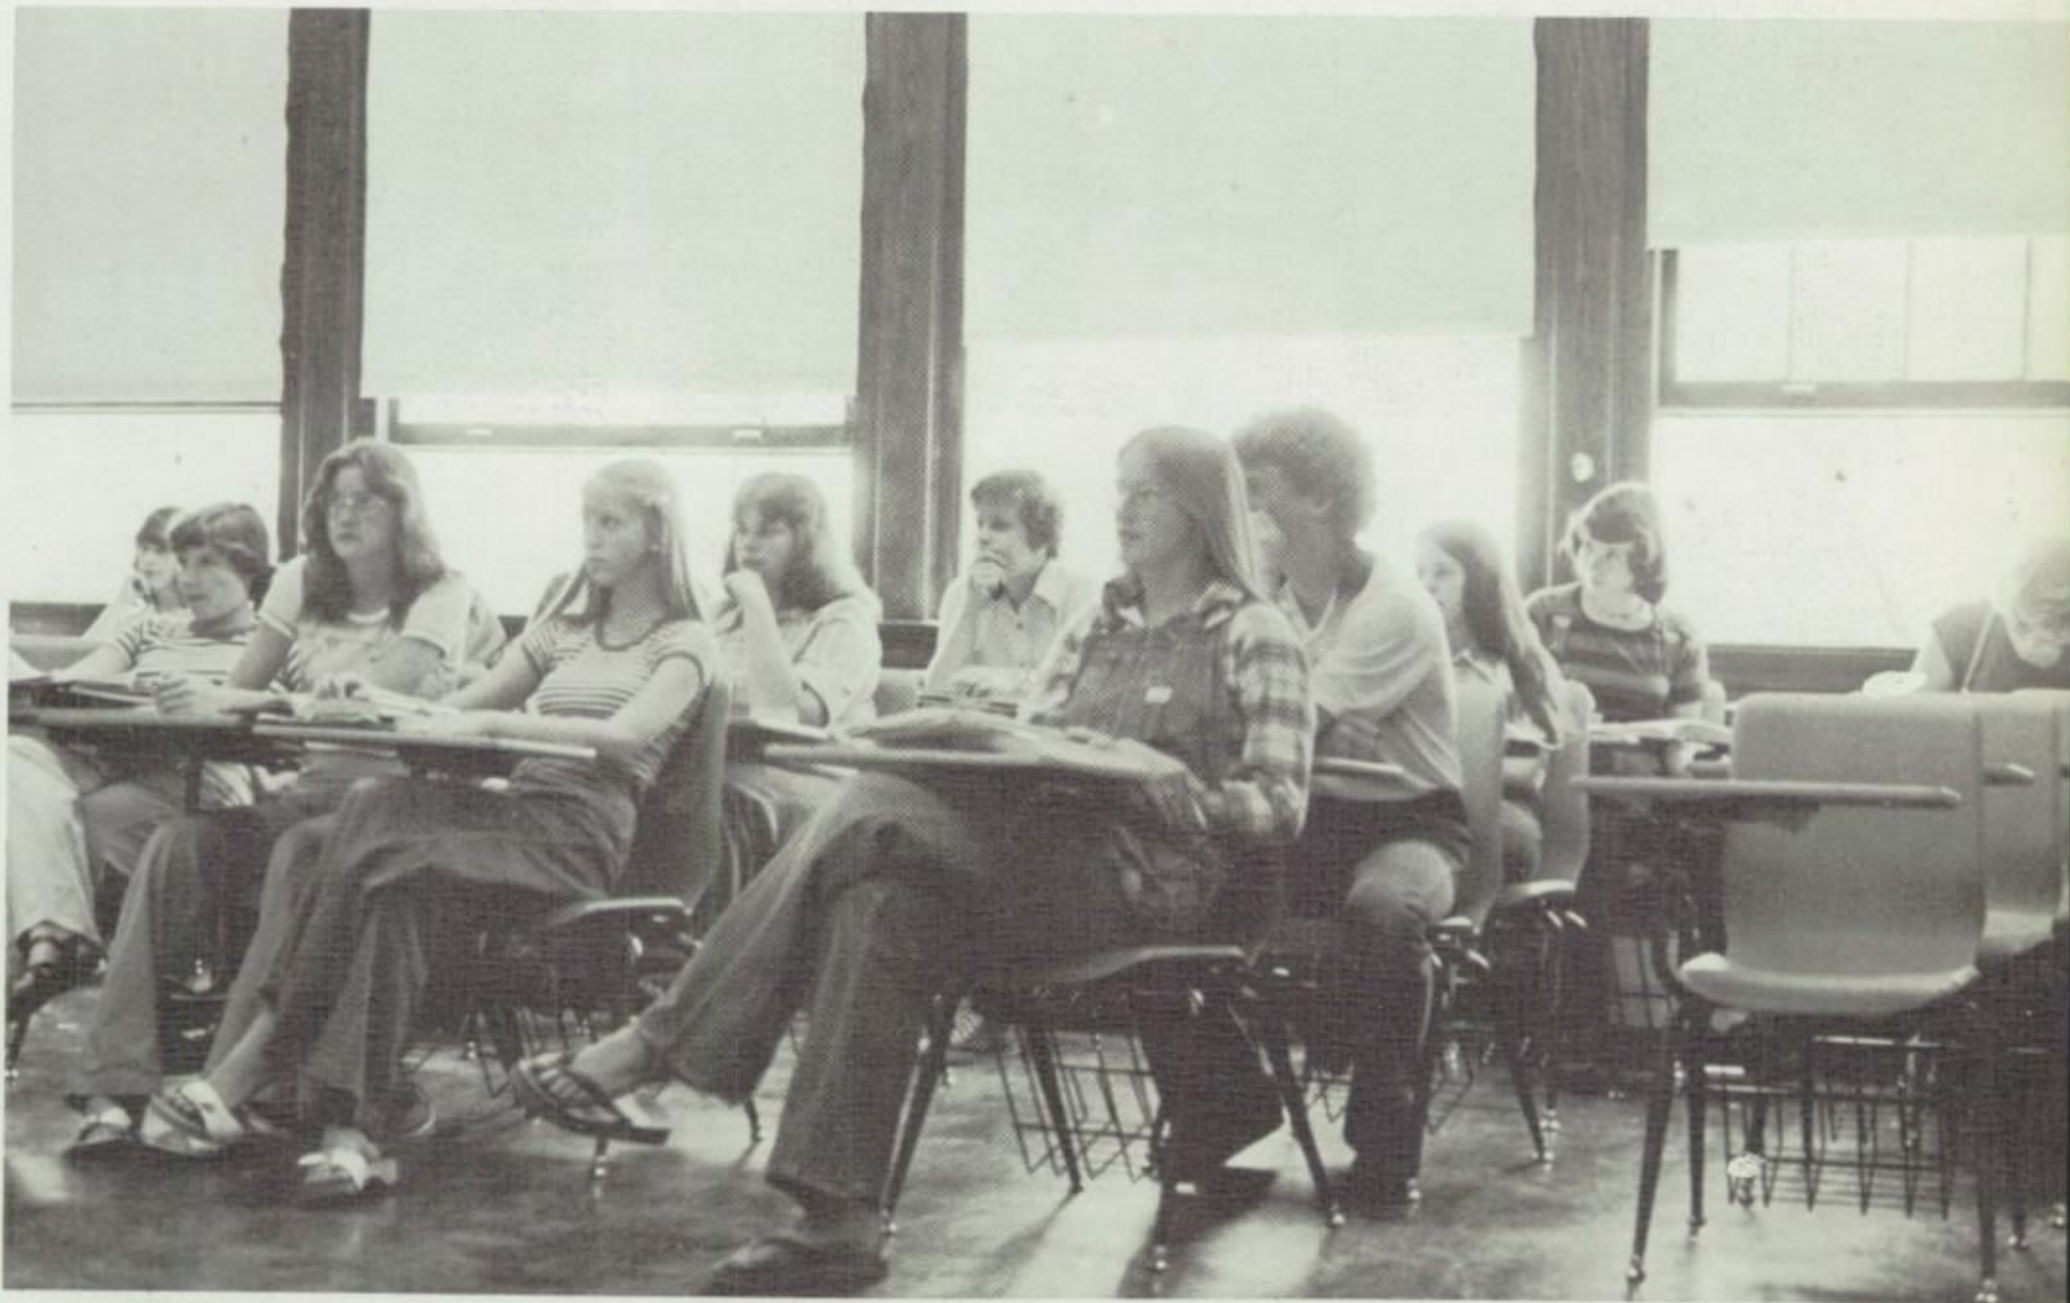

The Concert Band also gave a Spring Concert, during which they played various selections.

Upon Reflection—

Among the pages of history, there is no negation that truth bests the lie, that beauty defeats the ugly, and that good is better than bad. However, there are those to whom the mediocre is good enough, for whom the pursuit of excellence is uneconomic, those who believe that the intellectual and artistic level of the readers of mass media are such that the best is always wasted anyway.

There can be no waste in the best. It occupies no more space than the worst. It never offends the ignorant. And it frequently pleases the knowing. It is important to please the knowing, for there are more knowing than not.

Most important is a continuing effort to please oneself, to set standards too high for attainment, and reap the exciting satisfaction of trying. A single occasion of getting by with the barely adequate sets the stage for a future of mediocrity and attracts others for whom the best is too much trouble.

*For yesterday is
but a memory
and tomorrow is
only a vision
But today well lived
makes every yesterday
a memory of
happiness
and every tomorrow
a vision of
hope.*
